

PRESS RELEASE
BOROUGH OF WAYNESBORO

Christmas Tree Pick-up

Christmas tree pick-up throughout the Borough of Waynesboro will take place **on residents' normal trash collection day during the week of January 20th thru January 24th, 2025.** All decorations and tree stands *must* be removed, and trees should be placed at the curb no later than 5:00 a.m. on that day.

The Borough wishes to thank customers for their cooperation in this effort. Disposal of the Christmas trees in this way will be a benefit to the environment, as the Collector will be recycling the trees into usable by-products.
