

**Borough of Waynesboro**  
**Northside Pool -- Bag Search / Metal Detector Policy**

---

**Purpose:** The safety and enjoyment of all Northside Pool (the “Pool”) patrons and employees is the utmost priority. This Bag Search / Metal Detector Policy is implemented to maintain order and to protect the safety and welfare of patrons and employees.

**Definitions:**

1. **Search:** Collectively refers to use of a metal detector/metal detector wand, and/or a search of any bag, cooler, backpack, purse, or other personal item
2. **Patron:** Includes any and all persons (excluding employees) entering or outside of the Northside Pool, regardless of membership status, age, payment status (paying or non-paying), or reason for visiting (scheduled event, recreation, etc.).

**Policy:** To ensure the safety of all patrons and employees, Pool management may, from time to time in their sole discretion, require patrons to pass through a metal detector and/or undergo a random bag search to confirm no prohibited items, including explosive devices, knives, tasers, etc., are brought onto Pool property. Any patron who refuses to permit a search under this Policy shall not be permitted to enter the Pool. In the event of a positive metal detector reading, patrons will be expected to empty all pockets.

Patrons found to be bringing prohibited items on Pool grounds will be subject to immediate expulsion and potential suspension from Northside Pool, as determined by Borough management and in accordance with applicable laws. Those in violation of this policy may also be subject to appropriate law enforcement action and prosecution.

Notwithstanding the above, management reserves the right to deny entrance to and/or remove individuals who violate this policy or any other policies of the Northside Pool.

This policy is subject to change from time to time at management’s discretion.
